Where is God when...?

Have you ever been on a rollercoaster and just at that moment when it tips over the peak you feel your stomach lurch? Woah! This can happen in our normal life too. Everything is going along as normal, nothing out of the usual then, out of the blue, something happens that causes us to feel confused, disoriented and alone.

That's what happened to the disciples in Luke 8. These were experienced fishermen. The Sea of Galilee was their local lake and one day while they're sailing across, out of nowhere they're hit by a storm. Chaos. Overwhelming. Terror. And for a moment, I'm sure they felt full of doubt and uncertainty about the future. Until they remembered the most important truth – Jesus was in the boat. It may seem like a simple truth but it made all the difference.

"Then He got up and rebuked the raging waves. So they ceased, and there was a calm. He said to them, 'Where is your faith?'" – Luke 8:24-25.

Such a simple truth but it made all the difference. Jesus was in the boat the whole time, He was asleep at first but He was there. Where is Jesus in your life when you face hard moments? When a friend hurts you? When you feel lonely? When you're struggling to make sense of the world? It can all feel topsy-turvy but have you made the mistake the disciples did and forgotten that Jesus is in the boat with you? Do you need to go and "wake him up?" In Jesus, the Bible tells us that God, "has given us everything required for life and godliness." – 2 Pet 1:3. We all face challenging times but it makes all the difference in the world to know Jesus is in the boat with us. We can face all the storms of life when the King of all the Universe is in the boat with us.
